

Note to Prospective Tofu Purchasers

The Tofu Timber Sale is expected to be advertised in late spring or early summer, 2014. The attached Volume Summary and Maps are ***Draft*** at this time.

On the Tofu Timber Sale, all trees above 5.0" dbh will be designated by Individual Tree Marking (ITM blue paint) or Leave Tree Marking (LTM orange paint). See draft Sale Area Map.

Required logging equipment necessary will be Harvester/Forwarder (Cut to Length) and Conventional skidding (Tractor). See draft Sale Area Map.

There is to be some 10.5 miles of Specified Road Reconstruction associated with Tofu timber sale.

At this time some of the units are difficult to access, as there are areas with 3 to 4 feet of snow.
